

MIST Academy – Huntsville Winter Schedule

The MIST Academy mathematics program is designed for highly motivated students. MIST Academy is currently planning classes for middle and high school students in Huntsville. The focus for the Winter classes will be problem solving tactics and contest preparation.

Classes will take place at a software company called UAI that generally donates its space to us. UAI is located at **307 Wynn Drive**. Classes are held once a week according to the following schedule:

Class	Time	Day	Dates
Introductory B	4:20 PM to 6:20 PM	Wednesdays	Nov 19 – Feb 11
Introductory C	7:00 PM to 9:00 PM	Wednesdays	Nov 19 – Feb 11
Intermediate	4:20 PM to 6:20 PM	Thursdays	Nov 20 – Feb 12
Intermediate	7:00 PM to 9:00 PM	Thursdays	Nov 20 – Feb 12

Note that class will not be held on November 26 or 27 due to Thanksgiving, and class will not be held on December 24, 25, 31, and January 1 due to Winter Break.

Tuition is \$390 per session per student, which includes all materials and registration. Limited financial aid is available subject to space availability. The introductory classes are for middle school students, and the Intermediate classes are for high school students, though very top middle school students may be invited in extreme cases. For more information about these classes, visit our site:

<http://www.mistacademy.com/classes.htm>

Unfortunately, MIST Academy must operate on a first come first serve policy for now. There is room for up to 8 students in each class. If you plan to enroll a student, you must send an email to classes@mistacademy.com to confirm a spot in class. Many of the spots in these classes are already filled by returning students.

Huntsville classes were not part of the MIST Academy plan. We are blown away by the interest we have seen, and so we feel that we cannot pass up this opportunity to work with the many bright students in Huntsville. Thank you!
