

MIST Academy Huntsville – Winter Schedule

This year MIST Academy offers two classes in Huntsville. Classes will be held at the **Computer Training Center of Huntsville** at **1555 The Boardwalk, Suite #2** just off of University Blvd.

Class	Grade/Subject Level	Dates	Time
<u>Class</u>	<u>Date</u>		
Introductory C	Algebraic and Problem Solving Techniques	Nov 19 – Feb 11	Thursdays 4:20-6:20PM
Intermediate A	Geometry II	Nov 19 – Feb 11	Thursdays 7-9PM

Both classes will follow the following week-to-week schedule:

<u>Class</u>	<u>Date</u>
Class 1	Thursday, Nov 19
Class 2	Thursday, Dec 3
Class 3	Thursday, Dec 10
Class 4	Thursday, Dec 17
Class 5	Thursday, Jan 7
Class 6	Thursday, Jan 14
Class 7	Thursday, Jan 21
Class 8	Thursday, Jan 28
Class 9	Thursday, Feb 4
Class 10	Thursday, Feb 11

The **Introductory Problem Solving C** Winter course is a challenging 10-week class in Algebra aimed at gifted seventh and eighth graders. This class is ideal for students who will compete in the 2010 MATHCOUNTS competition or are preparing for the AMC 10 exam. Class will run from **4:20 to 6:20 PM Thursday evenings** according to the schedule above.

The **Intermediate Problem Solving A** Winter course is a challenging 10-week class in Geometry in which students will develop geometric concepts from the ground floor, learning rigor and basic proof writing. This class is aimed at students entering Honors Geometry, competing in Geometry math team, preparing for the AMC 10 and AIME, or preparing for MATHCOUNTS. Class will run from **4:20 to 6:20 PM Thursday evenings** according to the schedule above.
